BURTONFIELDS

HALL

OUR HOUSE IS YOUR HOME

At Burtonfields Hall, we want everyone to feel at home and enjoy everything the Hall has to offer, as we have done for the last four generations. Set in the stunning Yorkshire countryside, on the outskirts of York, the house has been newly renovated with the greatest attention to detail to echo its former heyday in the Edwardian era. We have nine beautiful boutique-esque en-suite rooms including one fully accessible room, all with their own unique character and stylishly decorated to perfection.

We are fully licensed for ceremonies of varying sizes, with a choice of stunning rooms including the Library for a handful of guests, the Drawing Room for up to 30 guests and the Billiard room for a maximum of 120 guests. The Billiard room is our largest function room, which will comfortably seat up to 76 people dining. However, this doesn't put a limit on the number of guests you can have at your wedding breakfast as we have a large south facing lawn with views of the surrounding countryside for a marquee. This room is by far the most spectacular featuring an exact replica of the original laylight from the 1890s, flooding the room with beautiful natural light, rich oak panelling and lavish damask wallpaper exuding opulence and style.

At Burtonfields Hall we have taken great care and consideration in selecting our event caterers so we know they will offer our guests the best catering experience. From the moment you arrive with afternoon tea to a farewell brunch the day after your wedding, you will feel truly spoiled, as you should! Alongside our catering teams we have created an enviable bar menu, all staffed and managed by our in-house team, however, if there is something you would like and you can't see it on our menu, please just ask! Why not celebrate in style with a signature cocktail for the Bride and Groom?

Once your celebrations have officially finished, our open fires will be stoked and ready for you to relax, reminisce about your day and enjoy that nightcap until the small hours should you wish to do so.

FULL WEEKEND EXPERIENCE

Fully immerse yourself in our country retreat, exclusively yours for the entire weekend. Check in from 1pm on Friday afternoon so you can spend the day unwinding, greeting your guests and finishing off your wedding plans. Why not take advantage of your caterers and indulge in a welcome evening dinner, with the use of our state-of-the-art kitchen?

After your wedding day celebrations on Saturday, we encourage you to stay and enjoy a farewell breakfast or brunch with your guests and check out at 2pm on Sunday. However you could always relax further and stay until Monday, so you can completely unwind with your closest friends and family.

If you require the marquee site, don't worry this is all included within our weekend experience, giving your chosen marquee company time to build the marquee on Thursday, prepare everything on Friday for the wedding on Saturday and de-rig on Sunday.

ONE NIGHT WEEKEND CELEBRATION

If you are just in need of a beautiful country home to hold your wedding and spend the night with your closest friends and family, then our one-night celebration is perfect for you. WEEKEND & WEEKDAY EVENT DAY HIRE

Make a day of it! Maybe, you just want to make the most of Burtonfields for the day. Having complete exclusivity to all the formal rooms and stunning gardens the Hall is a great place to host your event, frame photos and enjoy yourselves with loved ones.

We know the best events take time to prepare so that's why you will have access the afternoon before the event from 1pm-5pm to meet with your suppliers and set up for the big day. Also, the last thing you want to do at the end of the night is make sure everything is packed away, so we give access to you (or some very kind friends) and your suppliers to come back the morning after to collect your things.
